

Chemineer Express™ Gearbox Program

Gain added value with fast delivery of time-tested, high-quality Chemineer® agitator gearboxes — enhance agitator performance, extend service life and minimize downtime.

The Chemineer Express Gearbox Program provides off-the-shelf, new gearboxes for agitators, to quickly replace units that have reached the end of their service life.

Customer Benefits

- Fast response and quick turnaround help you meet your operating objectives
- Same-day, weekend and holiday shipments are available for urgent demands
- Stocked and ready to ship replacement gearboxes are normally available for Chemineer HT and HS units
- Worn out gearboxes from any original mixer manufacturer are accepted in exchange for a refurbished Chemineer gearbox
- Competitive gearbox refurbishment and/or conversion services are provided
- All Chemineer replacement gearboxes are factory assembled and tested using only genuine, high-quality Chemineer parts

Contact your local Chemineer representative today or visit www.chemineer.com/express for more information on the Chemineer Express Gearbox Program!

Chemineer Express™ Service Center Program

The Chemineer Express Service Center is located in the Chemineer manufacturing facility for ready access to extensive failure analysis, fast replacement parts assemblies, and the most reliable agitator repair service in the world.
